

Trills

Sopranino, alto
and bass

Soprano, tenor
and great-bass

The image displays a musical score for a flute instrument, consisting of three systems of music. Each system includes a staff with a treble clef and a series of fingerings represented by black dots on a vertical line. The first system covers measures 1 through 9. The second system covers measures 10 through 19. The third system covers measures 20 through 32. The fingerings are arranged in a way that corresponds to the notes on the staff, with some notes having a wavy line underneath them, indicating a trill. The key signature changes from one sharp (F#) to one flat (Bb) and back to one sharp (F#).

Note: a note over which a "tr", "T" or "+" is found must be trilled. In the absence of any other indication, the trill should be made with the upper diatonic note.

In early music its beginning is always made with the superior sound. Execution comprises the rapid movement of one or more fingers simultaneously.

The holes marked with the sign "w" are suitable for this type of ornament.
